"Those who believe on Christ and obey His commandments are not under bondage to God's law; for to those who believe and obey, His law is not a law of bondage, but of liberty. Everyone who believes on Christ, everyone who relies on the keeping power of a risen Saviour that has suffered the penalty pronounced upon the transgressor, everyone who resists temptation and in the midst of evil copies the pattern given in the Christ life, will through faith in the atoning sacrifice of Christ become a partaker of the divine nature, having escaped the corruption that is in the world through lust. Everyone who by faith obeys God's commandments will reach the condition of sinlessness in which Adam lived before his transgression."
